

Yardmaster (muck scraper)

OVERVIEW

Browns Yardmaster muck scrapers have been designed to leave a clean, hygienic and non-slippery surface to livestock buildings and yards. There are three models available to satisfy different conditions which are fully galvanized to protect from corrosion.

The Economy Yardmaster has a 30mm rubber blade which has good flexibility for use on smoother/flat surfaces.

The Extruded Yardmaster has a 50mm rubber blade that has increased durability for use on rougher surfaces.

Fully galvanized for prolonged life.
